Vihaan's Vision

Dear Vihaan,

Thank you very much for your generous in-kind gift to the Washington Health Foundation. On July 13, 2026 we gratefully acknowledged receipt of the 3D printed keychains.

Your generous donation of over 100 keychains was shared with various hospital departments. As a community hospital, we rely on the generosity of donors like you to help us deliver the highest quality, patient-first care to all who need it in our community.

No goods or services were provided in exchange for this contribution. In accordance with IRS regulations, the Foundation has not assigned a monetary value to these donated items. Please consult your tax advisor regarding the valuation of your gift.

We are deeply appreciative of your generosity and your commitment to improving the health and well-being of our community.

With gratitude,

A handwritten signature in dark ink, appearing to read "Sarah G. Genski". The signature is fluid and cursive, with the first name "Sarah" being more prominent.
